

Logistics Information

Directions

Metro:

On the Blue (Largo Town Center/Franconia-Springfield) or Orange lines (New Carrollton/Vienna-Fairfax) exit at **Foggy Bottom-GWU** and head towards Georgetown via M Street. Head towards 37th and O street once in Georgetown. Distance from Metro to Georgetown University is approximately one mile from the metro stop.

Parking is extremely limited in Georgetown and especially near campus. The best options for parking are:

- On campus visitor parking (accessible from Canal Road only). The Southwest garage is right off the Canal Road entrance, and is near to the Lohrfink Auditorium.
- The Bank St. parking lot, located between M St and Prospect St., 2 blocks from the Car Barn

If you plan to drive, be sure to leave plenty of time for rush hour traffic, as getting across the Key Bridge and driving through Georgetown can be quite congested. Please note that the entrance to the Key Bridge from George Washington Parkway is closed on weekdays starting at 7:30 am.
