

Location Plan from Maritim Parkhotel Mannheim to the University of Mannheim, Gartensaal and M003

© OpenStreetMap contributors

Leave the hotel (black dot) and turn left into the street called “Friedrichsplatz”. After a few meters you will reach a crossing where you turn left into the street called “Kaiserring”. Follow Kaiserring until you reach a crossing where a street called “Bismarckstraße” is on your right. Take the Bismarckstraße and follow it until you reach Mannheim’s castle (left side of the street). Cross the “Ehrenhof” and enter the main building of the castle (“Mittelbau”). For the “Gartensaal” take the main entry in the middle (Thursday). M003 is on the ground floor, left entry (Saturday).

Alternatively you can go by bus or tram. Leave the hotel and turn into the Kaiserring as described before. Follow it to the station “Kunsthalle” and take one of the lines 4, 5 or 60. One of them leaves every three minutes. After two minutes leave at the station “Schloss”, which is opposite the castle. Cross the “Ehrenhof” and enter the main building of the castle (“Mittelbau”).
