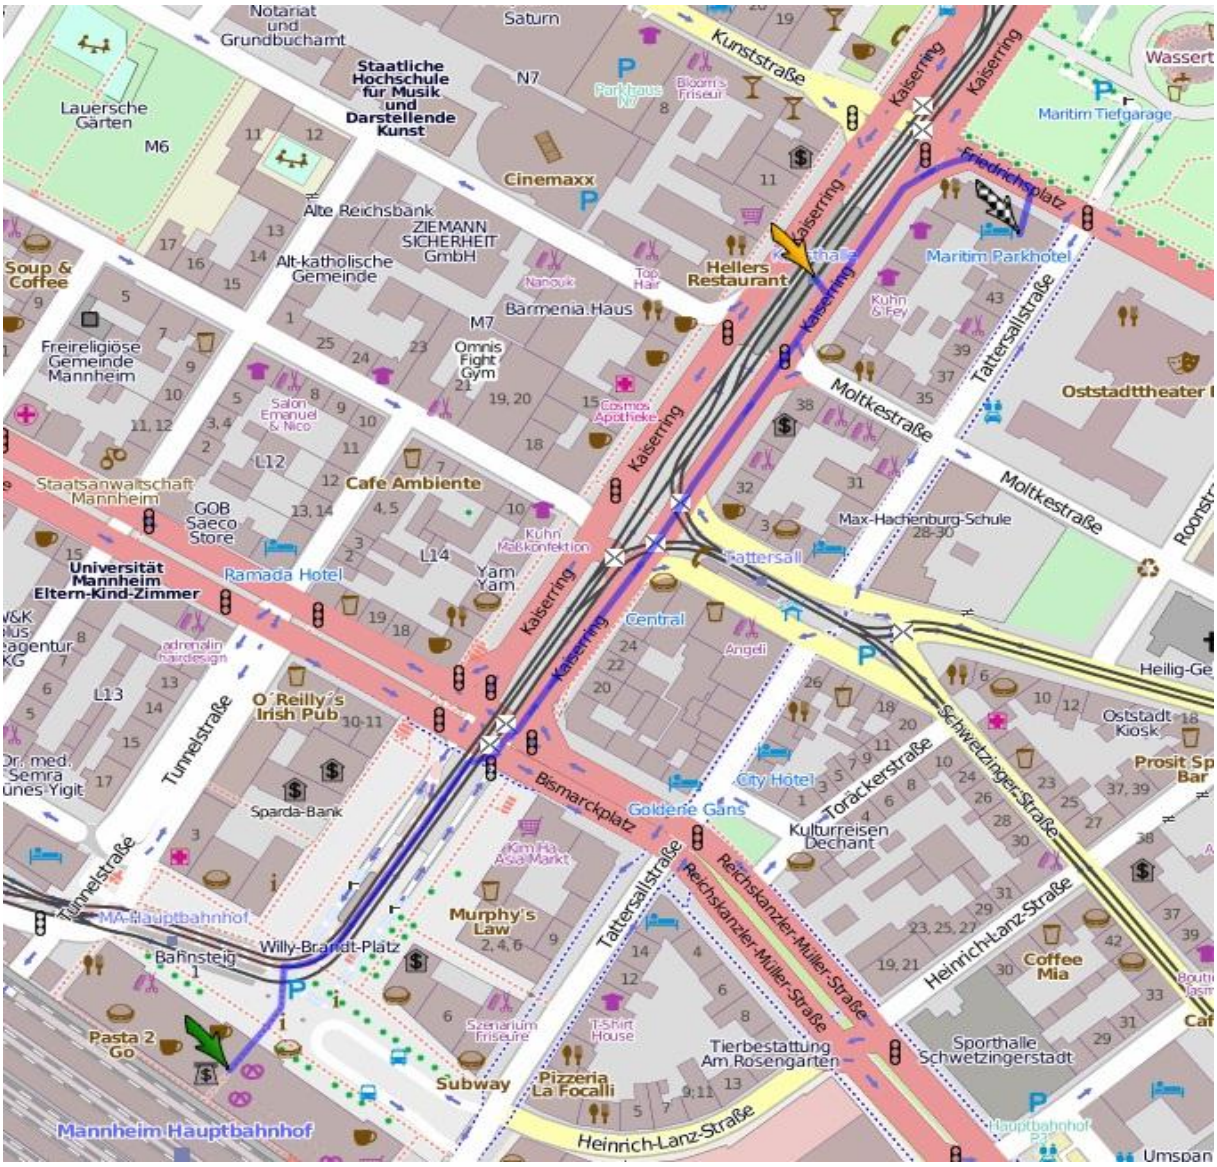
Location Plan from Frankfurt airport to Maritim Parkhotel Mannheim



© OpenStreetMap contributors

At the airport take the ICE in the direction of Karlsruhe/Basel which leaves every hour. After 30 minutes you will arrive at Mannheim Hauptbahnhof where you have to leave the train. To reach the Maritim Parkhotel Mannheim leave the main station (green arrow), cross the square “Willy-Brandt-Platz” and take the street called “Kaiserring”. Follow the Kaiserring until you reach a crossing where a street called “Friedrichsplatz” is on your right. Turn into the Friedrichsplatz and the Maritim Hotel (black and white arrow) is on your right.

Alternatively you can go by bus or tram. One of the lines 3, 4, 5, 60 or 63 leaves every three minutes. After two minutes leave at the station “Kunsthalle” (yellow arrow) and turn into the Friedrichsplatz as described before.
